Governorate

OBJECTIVE

An Enthusiastic, dedicated & hardworking Computer Science student with curiosity towards the tech industry. I am seeking a summer internship to leverage my theoretical knowledge in a practical environment, aiming to contribute positively while gaining firsthand experience in software development and programming.

EXTRA-CURRICULAR ACTIVITIES

- Participated in the ECPC training to develop coding skills.
- Participated in the ECPC qualification competition (summer 2023) to gain competitive programming skills.
- Active member of the GDSC student club at the HR & technical committees to develop both soft- & hard-skills.

CERTIFICATES

- [Google Data Analytics certificate: Data Foundations](#)
- [Google Data Analytics certificate: Asking the right Questions](#)
- SQL: IBM Practical Introduction for Querying Databases [in progress]
- Data Structures: University of California San Diego [in progress]
